

## For Home Decor

- Adds artistic flare to your walls.
- Brings a touch of nature to your home.
- Amazingly realistic.
- Less costly than real stone or brick.
- Indoor or outdoor applications.
- Variety of styles to choose from.

## Your faux stone decorating ideas are only limited by your own imagination...

- Create a fireplace surround.
- Enhance an interior doorway or exterior entryway.
- Create an after-market brick front for your home.
- Add a decorative finish to a privacy wall.
- Create a brick or stone fireplace stack.
- Craft a stone wall for accent in a recreation room or den.
